

## **Brooker Creek Preserve Management Plan 2008 Update**

Brooker Creek Preserve Management Plan is the initial planning document that details resource assessment, restoration projects, resource-based recreation, and supporting supplemental information. An updated draft of the plan was distributed in May 2008. The Friends of Brooker Creek Preserve, Inc., the county's Environmental Science Forum, other affiliated groups and interested citizens provided feedback at four public meetings. On August 26, 2008, the Pinellas County Board of County Commissioners approved the Brooker Creek Preserve Management Plan 2008 Update.
